

NEW ENGLAND
YEARLY MEETING
— OF FRIENDS —
QUAKERS

Dear Friends everywhere,

Hello! There were nine of us that gathered this week as the Kindergarten/First Grade group of New England Yearly Meeting. We are wondering if you are having a good time at your yearly meetings.

We've been finding and painting rocks, making new friends and singing songs. We made puzzle people that can fit together. We have fun toys like Connects and some sports toys and gears. We made play dough creations and let them dry. Some of us caught frogs in puddles in the evenings and saw them around campus while others played with toy owls.

Sometimes we played charades or hopscotch. We even drew a map of the town on the sidewalk for our matchbox cars (twice, because it rained!). We gathered objects in the woods on a scavenger hunt and transformed them into a fairy house and beautiful painted rocks for people to keep.

In the light,

Junior Yearly Meeting Kindergarten & First Grade Group
