Dear Brethren,

REF: THE 27TH NAIROBI YEARLY MEETING ANNUAL GENERAL CONFERENCE (EPISTLE)

We salute you in the name of our Almighty God.

The Conference was held at Friends Center Maringo from 21st-25th August 2013. Maringo is about 7 km, east of Nairobi City Centre in Kenya, 1 km off Jogoo Road, along Nyasa Road. Two hundred and sixty delegates from all our monthly meetings braved the chilly weather to attend the conference.

The conference was officially opened by the Presiding Clerk. The theme of the conference was "Move on into God's Promises" derived from the book of Deuteronomy 1:6-7. The main speaker, Professor Watson Omulokoli explored the theme extensively urging delegates to stand up, move out and move on. He referred to the three stages that the Israelites underwent which were, the glorious past, the splendor awaiting future and the deplorable present.

The message challenged and opened our minds to revitalize evangelism, worship programs and renewal of our faith in the Lord. He emphasized that all the above will be achieved if we fully submit to the Lordship of Jesus Christ.

Other topics covered included, Family Life, Leadership and Doctrinal issues and Resource Mobilization. We also had an interactive session with invited panelists in the following professions, education, legal affairs, property management, people living with disabilities and doctrinal issues.

Yours in Christ's Service
